

Experience

ORSEN 2022 at Public Relation

October, 2022 - November 2022

Leverage agile frameworks to provide a robust synopsis for high level overviews. Iterative approaches to corporate strategy foster collaborative thinking to further the overall value proposition.

LKMM TM 2022 at Event Divison

June, 2022 - October, 2022

Override the digital divide with additional clickthroughs from DevOps. Nanotechnology immersion along the information highway will close the loop on focusing solely on the bottom line.
